Remarks

Welcome to this elegant home in South Whitehall's sought-after North Farm community. Situated on over an acre, this property offers a perfect blend of classic charm and modern upgrades. Step inside to a grand two-story foyer with a feature window that floods the space with natural light. The main level boasts newly refinished hardwood flooring throughout. First floor formal living and dining rooms with crown molding, a private office with French doors and built-ins, and a spacious family room featuring a propane fireplace and granite butler's pantry/wet bar. The gourmet kitchen shines with granite countertops, a center island, and sunlit breakfast area. Upstairs you will find plank flooring throughout. The luxurious primary suite includes tray ceilings, dual closets (including a large walk-in), and a spa-like bath with soaking tub, walk-in shower, dual vanities, and skylight. Three additional bedrooms share a full bath with dual sinks and ample storage. The finished lower level is an entertainer's dream with a custom home theater, complete with stage and tiered seating.
